

Permit Checklist

Permit Type: **Land Disturbance-Single Family Residential**

FORMS YOU MAY NEED

[Site Sketch](#)
[Campbell County Stormwater Pollution Prevention Plan \(SWPPP\)](#)
[Agreement in Lieu of Stormwater Management](#)

[2019 Single Family Detached Residential Coverage Letter](#) (*Print and post of job-site*)
[2019 Construction General Permit](#) (*Print and post on job-site*)

ALL Land Disturbance Applications **REQUIRE** a Site Sketch to be upload into the application under “Site Sketch”. Your site sketch should show where all disturbance activity will take place (all clearing, driveways, drain fields and grading) and where you will be installing your silt fence.

If your project is part of a **Common Plan of Development (CPOD)** which is **any parcel of land created on or after July 1, 2004**, you will be **REQUIRED** to complete an Agreement in Lieu of Stormwater Management Plan and a Campbell County Stormwater Pollution Prevention Plan (SWPPP) in addition to your site sketch. These documents can be uploaded to the appropriate submittal option in your portal application.

Common Plan of Development (CPOD) projects are also required to print a copy of the 2019 Construction General Permit and the 2019 Single Family Detached Residential Coverage Letter and post it onsite prior to any disturbance activity. This document is NOT required to be uploaded into your application.
